

## **Institute Distinctiveness (2018-19)**

The vision of the institute focuses on four aspects especially e women empowerment, value based education, interdisciplinary approach and sustainable development. Besides the institutional uniqueness is well marked through its excellence in academics, exploration of knowledge through research oriented methods, innovative entrepreneurship and holistic development of learners with global vision. Moreover participation of students in co curricular activities, extra-curricular activities and activities limits promoting social awareness regarding vital social issues, help students to enhance their all rounded personality to face the turbulent road of the future. In addition to all these, institution provides career guidance, personal counseling and well structured training through professional bodies and student associations. It is the only girls-college, giving the most secure and safe environment to its learners. It has been assessed and accreditation by NAAC, twice and awarded with grade 'A', thus it has achieved the status of being the model College for the Area. It has a big, beautiful and a newly built building, well ventilated classrooms and labs with latest amenities. Its policies and culture is student-centric, because welfare, growth and satisfaction of the students are its primordial priority. It is offering a variety of academic courses at U.G level and various Master Degree courses too with one year diplomas thus providing vast choices for the learners to carry on with plethora of opportunities. Different departments design short term crash courses and enrichment programmes for adding value to the normal degree courses of the students. Holistic development of the students is the main focus area of all the teachers, Principal and the College Managing body for which a healthy network of units, associations, cells and centres are working for academic excellence, extra activities and sports etc. It is addressing the needs of economically poor students with special Poshita Schemes, financial concessions and scholarships. Special policies chalked out to benefit the sports student with expert coaches, arranging ground for practice, free lodging and boarding and Facility for extra classes. College provides a consistent inspiring experience to the students by inviting various luminaries, eminent leaders, great women personalities and vibrant celebrities for distributing prizes, conferring degrees, delivering convocation address and inviting the alumni for suggestion etc.
